i6 PRO On Demand  
Espresso Grinder

E8 OD Coffee Grinder  
83mm Flat Burrs

### SUGGESTED GRINDER

#### COMPAK – I6 PRO ON DEMAND ESPRESSO GRINDER

The Compak i6 PRO is a fantastic on-demand grinder model we have selected from the new Compak range that we think punches well above it's weight, considering cost Vs grind quality / build and speed.

It's a collar adjustment grinder, built to stand up in any decent volume location, managing 2KG a day without any issues.

#### COMPAK – E8 OD COFFEE GRINDER, 83MM FLAT BURRS

The Compak E8 LLS boasts a 630W motor, 83mm Red Speed burrs, and delivers 4.2 g/s espresso production. With a 1,250g hopper and innovative Lock & Load System, it offers quick access for cleaning. Enhanced by back LEDs and a cooling fan, this grinder ensures precision and efficiency every time.
